

**MORSELLI e
MACCAFERRI SRL**

TIGER ONE MOD. T1

SEL PROPELLED BEACH CLEANER

SELF PROPELLED CHAIN TRACK TOOLS CARRIER WITH HYDRAULIC TRANSMISSION

Technical Data

- Honda 13 hp engine with electric starting on (+ tearing)
- **hydraulic** transmissiojn
- chain track **independent** control (chain track reverse turn)
- **proporzional** distributors for chain track control
- 3 levers **control** tools distributor with **floating** position
- rear **hydraulic power** takeoff for tools drive
- **security system** distributor's lever with engine stopping
- rear draw **hook**
- **quick plate coupling** for rear and front tools

Dimensions:

- mm. 1600x900x950
- weight kg. 450 (without tools)
- speed from 0 to 5 km/h

Accessories:

- **mm. 900** front grader (series)
- front lift forks (kg. 150 carrying capacity) with **parallelism**
- Front **hydraulic drill** (mm. 100/150 diam. mm. 800 depth)
- rear **hydraulic** sieve mm. 100 width (3 nets mm. 15+10+5 series) with depth regulation **from 0 a 150 mm** and manual turnover tray
- rear **vibrating** rake mm. 1200 width with extractable tray
- rear rake for weeds mm. 1300 withdt with mm. 150/250 height teeth
- rear or front light forks sun longer/beach umbrella carrier kg. 100 carrying capacity
- front hydraulic windlass
- front hydraulic brush with or without tray

front **hydraulic** drill

rear **hydraulic** sieve

Security syst. distributor's lever

pallet forks

Vibrating rake with picking-up

Light trailer with 300 lt. tank and high pressure pump
Special tools on request

rake and grader for weeds
