

**MORSELLI e
MACCAFERRI SRL**

MOD. T2

SELF PROPELLED BEACH CLEANER

MECHANICAL TRANSMISSION TRACKED

Technical Data

- Honda 5,5 hp engine with tearing starting on
- **Lombardini diesel (cm. 110 sieve model) with tearing starting on**
- **2 gears + 1 reverse gear mechanical** transmission
- chain track (steering) **independent** locking
- **independent** power takeoff to sieve from girdles
- 0/12 cm. sieve dept manual regulation
- sieve net quick interchangeability (mm. 5/10/15)
- equipment **emergency stop** sytem
- rear **draw** hook
- rear rake

Dimension

- cm. 90 sieve model mm. 1700x900x800 kg. 350 weight
- diesel engine and cm. 110 sieve model mm. 1700x1100x800 kg. 360 weight
- weight speed from 0 to 5 km/h

Comfortable depth regulation

handy and practical
